"Top 3 Legal" is a web application designed to facilitate law firms and lawyers in providing information to clients and targets to maintain and build client relationships.

Top 3 Legal is owned by Top 3 Legal Limited ("**we**" or "**us**") (company number 10589045). Our registered office is at 3rd Floor, 1 Ashley Road, Altrincham, Cheshire WA14 2DT.

Your personal data

Use of your personal data

We use the personal data that we have about you to provide, support, personalise and develop the Top 3 Legal service for you and other users and to enable communication between users within the functionality of Top 3 Legal.

How we use your personal data will depend on which category of user you are and the choices that you make in your profile and settings.

Lawyers

The Top 3 Legal database is populated with basic information about lawyers in leading firms (lawyer name, location, role etc.). This information is all publicly available from the relevant firm's / organisation's website but is repeated on Top 3 Legal to provide clients with another means to access this key day-to-day contact information and to facilitate profile adoption, extended profiles and client recommendations.

Lawyers who elect to adopt their free basic profile or to set-up an extended (premium) profile will provide additional information during registration on and /or use of Top 3 Legal.

The information above is used to provide basic or extended profile information (as the case may be) to users who can then search for your profile and make recommendations where appropriate.

Law firm / organisation profiles

The content of these profiles is managed and controlled by the relevant primary user of the law firm / organisation plus any other users in the law firm / organisation that the primary user gives editing rights to.

Clients

Similarly, for client users, clients will provide additional information during registration on and /or use of Top 3 Legal relevant to setting up a profile and then using Top 3 Legal as a registered user. This use includes the key features of making recommendations, sharing recommendations with colleagues and /or network and using the advanced search features to search for recommended lawyers by location and work type.

Communicating with you and use of data

We won't provide your contact information to third parties

We won't sell, share, transfer or distribute your personal data without your consent, except in the ordinary course of providing Top 3 Legal's services. In particular, we won't provide your email or contact details to any third parties for them to be able to market to you or for any other reason.

Top 3 Legal: system communications

We'll use your contact information to provide you with Top 3 Legal services, including communicating with you via the web app or web app generated email in relation to creating your profile, your day-to-day use of the Top 3 services (e.g. notifications), and providing support services.

Top 3 Legal: non-system communications
